The Managing Director,
Global Gamers
Kolkata

Dear Sir,

Subj: Application for the post of programmer in your organization.
Ref: Times of India dated 02-12-2020.

With reference to the advertisement cited above, I wish to apply for the post of programmer as a fresher in your organization.

I have completed the B.Tech programme in Computer Science and Engineering with specialization in Gaming Technology from SRMIST, Kattankulathur Campus, Chennai. I interact well with people and enjoy working with others. Known for my team building skills as I have led seven teams and have been a team player in 12 teams.

I may kick-start my experience horizon to widen through

the exposure at a global level that I would be getting via your organization.

I assure you that if I am appointed, I would be carrying out my duties and responsibilities with utmost sincerity and commitment.

Hoping a favourable reply from you!

Yours sincerely,
Debarghya Barik
